

GROWTH

In 1840, four years before the founding of The S. S. White Dental Manufacturing Company, there was only one dental school in America—the Baltimore College of Dental Surgery.

Today there are over fifty dental colleges and over 27,000 dentists.

During this rapid development of the dental profession "S. S. White quality" has kept closely abreast of every advance in dental science.

Recent dental research has established certain facts about what a dentifrice should do and should not do. S. S. White Tooth Paste conforms to all these requirements of an ideal cleansing and polishing agent, as determined by eminent authorities on mouth hygiene.

'NEW YORK PUNK ON COLLECTIONS,' DECLARES BILLY

Evangelist Also Tells N. Y. University Students "Tabasco Is Better Than Pink Tea."

With the sunlight back again this afternoon the attendance at Sunday's Tabernacle was better and of a more enthusiastic mood than yesterday. About 4,000 heard the sermon. Billy was again annoyed by the coughers. Suddenly in the beginning of his sermon a door banged and he stopped. "Just lock the door," he said. "Lord, I'm tired thinking for everybody."

Billy referred again to the annual collections toward defraying the expenses of the campaign. "There are some people in New York who have had their hands in their pockets as long they can't get them out so as to put a dollar in the collection plate," the evangelist declared. "New York is the only city that is trailing in that respect. It's a great community in other things, but you're punk on collections. Why, you're not even up with Syracuse, a little town of 150,000 persons, one of the finest cities in the world, a regular bird."

Billy said there were other persons who put their hands in other people's pockets. "Some take bribes for treason," he added, and then came a burst of applause when he said: "Any one who accepts money from agents of Germany is worse than the man who offers it. Oh, the fellow who betrays his country is the lowest down pup of all."

Further on in the sermon, which was on "The Withered Hand," Billy said: "You can find a lot of people with withered characters. They haven't got manhood or womanhood enough to put themselves under the right influence. I can go out and find them in the saloons, in the banks, in halls of learning, in homes of wealth and homes of splendor, along your flowered boulevards and in dark, dirty alleys. Everywhere are men who are just half men. They're in the churches, too, and they have their names on a church record."

"God gives every one influence to speak to some one about Jesus, to try to lead them to the Lord, and it is the man with the withered hand who does not do it."

"Some people have lifted booze so long their hands are withered and they can't open their Bible; some play cards until their hands are withered and they can't do anything for Jesus."

"God likes to see a man leave the cellar and go up to the roof garden. He likes to see a man crawl out of a state beer joint into the church pew. He likes to see a woman with grace enough not to wear one of those dresses that look like a fly net."

"These who walk the streets of heaven had their chance, and they improved it; see if you can improve yours."

some, You're not. You're just beginning to learn. "Have a definite aim in life. The world is full of men letting empty buckets down into dry wells and bringing up nothing but hot air. "Vim, ginger, tabasco sauce and peppering are better than pink tea and low water. Cut the word 'fail' out of your vocabulary." Here the evangelist caused a laugh by saying he had cut slang out of his preaching. Billy told of the hard struggle of Edward Gibbon, Noah Webster, Cyrus Field, Gambetta and other great men, saying: "Those are the kind of fellows that have their nugs in the hall of fame for guys like you and me to look at."

"Be like the alligator. As long as it lives it grows. If when you leave this school you stop studying, it won't be long before you can take your collar off over your head without unbuttoning it."

"Be honest and industrious and don't watch the clock."

BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. They are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. His efforts to banish it brought out these little olive-colored tablets.

These pleasant little tablets do the good that calomel does, but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel. Let Dr. Edwards' Olive Tablets take its place.

Most headaches, "dullness" and that lary feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "fogy" and "heavy." Note how they "clear" clouded brain and how they "perk up" the spirits. 10c and 25c.—Advt.

Nuxated Iron Makes Strong, Vigorous, Iron Men and Beautiful Healthy Rosy Cheeked Women

Dr. Howard James, late of the Manhattan State Hospital of New York and formerly Assistant Physician Brooklyn State Hospital, says:

"Iron is absolutely necessary to enable your blood to change food into living tissue. Without it, no matter how much or what you eat, your food merely passes through you without doing you any good. You don't get the strength out of it, and as a consequence you become weak, pale and sickly looking. Just like a plant trying to grow in a soil deficient in iron, after having been on a six weeks' course of Nuxated Iron, say, Doctor, that there stuff is like magic!"

"If you are not strong or well, you owe it to yourself to take the following test: See how long you can work or how far you can walk without becoming tired. Next take two Nuxated Iron tablets at intervals from three times per day, after meals, for two weeks. Then test your strength again, and see how much you have gained. From my own experience with Nuxated Iron I feel it is such a valuable remedy that it should be kept in every hospital and prescribed by every physician in this country."

Nuxated Iron, recommended above by Dr. James, is for sale by all good druggists on an absolute guarantee of success and satisfaction or your money refunded.
